Identity Verification Process

To provide a valid remote online notarization as required by law need to **verify your identity**. The process is completely secure. We never store your personal info.

Once we know who you are, we'll ask you **five questions to which only you know the answers**.

In the next step, we'll **verify your photo ID**. You can use your passport or your driver's license.

Your SSN would only be used to verify your identity as required by state law.

Home Address

The address entered here would be used for identification purposes. If you changed your residential address less than 30 days ago, please enter your previous address.
